Clay County Sheriff's Office

CITIZENS' ACADEMY

Dear Academy Student:

The Clay County Sheriff's Office Citizens' Academy is a program that is designed to provide the public with a working knowledge of our agency's mission, operations, policies and personnel. The goals of the academy are to create trust and understanding between the sheriff's office and the citizens of our county. The academy also provides a productive outlet for the mutual sharing of information and concerns in order to further our shared goal of a safer Clay County.

Completion of the Citizens' Academy WILL NOT enable you, as a citizen, to take any law enforcement action. However, it will give you enough insight into what we do on a daily basis, and the issues, goal, and challenges experienced by law enforcement agencies.

Clay County Sheriff's Office

CITIZENS' ACADEMY WAIVER, RELEASE AND INDEMNIFICATION

The Clay County Sheriff's Office (the "Sheriff") conducts a course known as the "Citizens' Academy" that is open to local citizens. During the academy, citizens will be exposed to all major aspects of the operations of the Clay County Sheriff's Office. In consideration for the privileges and benefits to be derived from participating in the Citizens' Academy, the sheriff's office is requiring all participants therein to execute this waiver, release and indemnification.

Participation in the Citizens' Academy class sessions may involve physical activities such as, but not limited to, lifting, walking, riding and discharging of firearms. It will include such risks as falls, interaction with other participants, effects of weather, the physical conditions of the facilities and features and equipment located therein; together with the inherent risks of being in close proximity to the discharge of firearms and the utilization of various items of equipment and other weaponry used by law enforcement personnel. Participant expressly assumes these and all other risks arising in any way out of the participation in the Citizens' Academy activities, including transportation provided to, from and between such activities. Participant represents and warrants himself/herself to be physically fit and able to participate in such activities, and agrees to stop and request assistance if experiencing any symptoms or other conditions which would make it difficult or unsafe to continue; further understanding that the Participant is solely responsible for his/her own health and safety. Participant understands that during all Citizens' Academy class times, the privilege of his/her participation shall be governed by the Sheriff (inclusive of sheriff's deputies, officials, representatives and employees) and the Participant will abide by and follow any directions given by such Sheriff personnel.

On behalf of the Participant's self, heirs, executors and assigns, Participant does hereby waive and personally assume any and all risks and liability for damages, losses, personal injuries and death which Participant may suffer, sustain and cause while participating in any activities of the Citizens' Academy. Participant does hereby release and forever discharge the Clay County Sheriff's Office, Sheriff Darryl Daniels and his deputies, officers, agents, employees, representatives and other personnel (in official and individual capacities), the county of Clay, Florida and any other premises and facilities used by the Sheriff for the Citizens' Academy activities (collectively, the "Releasees") from any and all claims, demands, actions, damages or suits at law or equity of whatever nature which Participant has or may hereafter acquire against the Releasee as a result of Participant's voluntary participation in the afore described activities. Participant hereby holds harmless and agrees to indemnify Releasees for all damages, attorney's fees and costs that may be incurred in defending any such demands, claims, actions and the like.
