

OFFICE OF THE SHERIFF

Clay County, Florida
Darryl Daniels, Sheriff
"Selfless service for all."

JOB NOTICE

DATE: August 16, 2019
POSITION: Radio Technician I
REPORTS TO: Radio Unit Supervisor
STARTING SALARY: \$28,822 annually, pay grade 7
DEADLINE TO APPLY: August 26, 2019

The Sheriff is posting a notice of opportunity to become a Radio Technician I.

Specific duties may include, but are not limited to:

- Diagnose, locate and repair malfunctions in the emergency electronic equipment installed in vehicles.
- Install new equipment for initial use and transfer equipment to other vehicles or fixed locations as required.
- Program and issue radio equipment as required.
- Modify, update and clean spare equipment for use.
- Order parts and supplies as needed and perform inventory control functions.
- Supervise jail trustees and assist them with on-the-job training.
- Additional duties as required.

Minimum qualifications: 1-2 years of job related experience. Prefer experience with public safety vehicle electronic equipment, portable and mobile radios.

If you are interested in this position, please submit your completed application and resume to **apply@claysheriff.com** by the deadline date.

Thank you.
