ADDENDUM 4

Request for Proposal (RFP) # 23-0002

Project Name: Inmate Communication Services

February 06, 2024

Special Note: Amendments and questions are numbered sequentially through all issued addendums.

Question #48

Addendum 3 #30 states "All kiosks" in response to "b. TDD/TTY devices." This is technically impossible, as TDD/TTY is an analog service. Please clarify, are you simply looking for devices to provide appropriate accommodations to comply with ADA requirements – for example, by supplying VRS on the tablets and TDD/TTY devices for use with inmate telephone services?

Response – Your explanation is acknowledged. Vendors must comply with all ADA requirements as stated in subsections 2.3.6 and 2.5.5 as well as section 2.6 of the RFP.
